ÆTNA

LIFE INSURANCE COMPANY,

Hon. E. A. BULKELEY, President,
AUSTIN DUNHAM, Vice "
T. O. ENDERS, Secretary.
H. W. St JOHN, Actuary.

SUMMARY OF BUSINESS FOR 1867

Total Assets, over	$10,000,000
Polices Insured in '67,	15,251
Am'nt Insured, nearly	$45,000,000
Policies Average "	3,000
Receipts for 1867,	5,129,447
Surplus for Dividends,	2,000,000

Dividend Fifty per cent.

Receipts for Interest Nearly Paid Its Losses.

It has $130 Assets for every $100 Liabilities.

Its premium receipts at the present time are nearly HALF A MILLION DOLLARS per month and are rapidly increasing.

The growth of the Ætna has never been equaled by any other Company whatsoever, in Europe or America.

Particular attention is called to the fact that while its business is increasing unprecedentedly, its ratio of expenses is comparatively small.

ECONOMY of management, CARE in the selection of risks, promptness in the payment of death claims, and security in the investment of its immense Trust Funds, are rigidly adhered to, and have ever characterized this Company.

The ÆTNA issues all the favorite kinds of Policies at the most favorable rates.

The ÆTNA issued last year more Endowment Insurances than any other Company.

The ÆTNA'S ratio of expenses, or cost of new business is less than any other Company whatsoever, and less than two-thirds of the average.

The ÆTNA is as liberal in permits to travel, in all parts of the world, as a sound discretion will warrant, and is much more liberal than any other prominent Company.

ANNUAL INCOME over $6,000,000.

The only Company that has the Low Participating Non-forfeitable Term Insurance with privilege of renewal. Ex. of rate at age 30 $14 67, which is nearly 40 per cent. lower than any other leading Company. Also

Non-forfeiting cash rates with dividends on contribution plan and payable at the end of the first year.

Description of Policies.

First—Whole Life Policies,

Second—Endowment Policies, for terms of ten fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term, or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the rates published herewith, will participate in the surplus from the date of issue,

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made the dividends will be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may, at his option, either continue payment of premiums and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a per centage of said sum, and paid in cash, and upon surrender of said Policy the sum insured thereby will be paid in *full*, without regard to the time fixed therein for its payment.

The system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief from further payment of premiums, but at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON-FORFEITURE RULES.

No whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payment as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends, then accumulated, will purchase, taken as a single net premium, upon the "Actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

LIFE INSURANCE.

The Most Vigorous and the Most Liberal Insurance Company in the Country.

BROOKLYN LIFE INSURANCE COMPANY,

141 Broadway, N. Y.

ASSETS OVER

$1,000,000!

CHRISTIAN W. BOUCK, ... President.
ABRAM D. POLHEMUS, ... Vice President.
WILLIAM M. COLE, ... Secretary.
D. P. PACKARD, ... Consulting Actuary.
DANIEL ATKINS, M. D., LL.D., Med. Examiner.

POLICIES ISSUED AS GOOD AS UNITED STATES BONDS.

POLICIES VALUABLE IN LIFE AS AT DEATH!

The BROOKLYN LIFE is the only Company in the country which guaranties a definite surrender-value to every Policy on which two or more annual premiums have been paid; this amount, in dollars and cents, is endorsed on every Policy issued, should any Policy-holder become unable to pay his premiums, no can thus know the cash worth of the Policy at any time after two annual premiums have been paid.

This certainly is the greatest inducement and most tangible advantage ever accorded to parties insuring their lives.

Among the advantages offered by the BROOKLYN, which thoroughly studies the determination of the officers to make it the most liberal Life Insurance Company in the United States, are:

1st. TOTAL REMOVAL OF ALL RESTRICTIONS ON TRAVEL AND RESIDENCE. The Assured may travel or reside anywhere they choose, the world over, without extra premium or special permit.

2d. A Loan of one-third of the Premium to the Policy-Holder Annually.

3d. All Policies are non-forfeitable after two full annual premiums have been paid.

4th. Rates as low as are consistent with financial soundness, and less than those of almost all Companies which accommodate to the assured with loans.

5th. Dividends annually (after second year) in cash. Dividends are invested on the CONTRIBUTION PLAN—the only equitable manner of divising the earnings of a Life Insurance Company. The contribution Plan was first conceived by Mr. B. F. Foster, now Actuary of this Company, and has been adopted by most of the best managed Life Companies in this country.

The BROOKLYN LIFE has paid and now pays to its Policy-holders LARGER DIVIDENDS than ever before paid by a Life Insurance Company!

6th. Promptitude in paying losses.

7th. No charge for policy or stamp.

The success which the "BROOKLYN" has achieved, fully exemplified in its rapid and healthful growth, is a convincing proof of the confidence reposed by the public in its soundness, integrity and liberality.

JOSIAH TURNER, Jr., EDITOR.

SATURDAY, MARCH 13, 1869.

HOME AGAIN—GEN. LITTLEFIELD HAS RETURNED.

We saw him with Abbott, of New Hampshire, get out of the "Rose," (as the Yankees call it, Carpet bagger French (big Ingin) and Gen. Estes, of New York, *viz* New Hanover, went to meet them at the depot. Three of the hands presented themselves at our office claiming the reward we had offered for the *editor of the Standard*. One of the plous hands went immediately to Young's Boarding House for Foster, whom he once called the "Mummy Doctor," and for Holden's Adjutant General Fisher, from the land of maple hams and wooden nutmegs, to come, shake hands and rejoice.

The Governor is a prophet as well as a Governor. He wrote the article charging us with cowardice, and intimating that when Gen. Littlefield did return we would leave the City. The General has returned and we are leaving. That is prophesy fulfilled.

We raised this question with the hands that they must take the General before Senator Sweet and the Committee, before we paid the $50,000.

Distinguished carpet baggers have not met with such a cold reception since they took the city, when Holden welcomed them with wine. No negroes met them at the depot as they did Judge Chase when he came to hold Court, when Judge Starbuck was presented by the Grand Jury for perjury. This cold reception will gladden the heart of Gen. Dockery. Abbott and Littlefield will raise carpet bag stock. It had run down almost as low as State bonds.

We think the sale of the North Carolina Railroad will be revived. We hope the Editor of the *Standard* brings news of that swindler, Judge Alden,—we like to have called him thief—but as he is a Judge and a friend of the Governor, as well as Judges Dick and Rodman, that would be disrespectful to those high officials.

Our Treasury pigeon has gone to New York, and the Wall Street hawks will be sure to catch him. Our friends thought last Wednesday and Thursday, that the Treasurer would leave nothing of us for Littlefield to beat with his big club, as he talked so much about doing it himself, whilst some of Gov. Holden's special friends were around Mm. One man came to the Yarborough House, as he said, to see us whipped. That night Governor Holden and "Hon." Windy Billy were at the Yarbrough House. We don't suspect the Governor of being there to see us whipped, though he had in his hand a heavy looking stick and carried it much after the style of James Harris, (colored.) We desire to do justice to the Governor, and say, therefore, that we know he is afraid of the sight of blood, and we don't think he came to take part in the expected fight. Yet we don't see how the Treasurer could impart the information to a whole city of his intention to whip us, and the Governor be ignorant of it.

The General should not fail to thank the Governor, Lieutenant Governor and Judges for writing for his paper in his absence.

We know that Senator Abbott can, if he will, improve the financial condition of the State, by correcting his tax list. The *Standard*, some time ago, gave a long account of the lumber business, and said he had made $70,000. The Senator forgot to give it in, for in that year he neither gave it in nor paid any tax. Correct your tax list Senator, for the Governor has "confidence" in you as well as in Alden, and it is just to the Governor that you give in and pay tax on that $70,000 made in one short year.

GEN. LONGSTREET.

This distinguished rebel officer, who helped to whip Grant so often, but who unfortunately for his own good name turned Radical, has been hit by a pone of bread about his stomach by the man he fought so bravely. He has been appointed Surveyor of Customs at New Orleans. He has his reward. All rebels who turn Radicals expect office, and what is more, they get it. Look over North Carolina, if you would see this remark confirmed. We believe every prominent rebel who has turned, is now eating to his heart's content from the public crib.

Mr. E. B. Washburne, appointed Secretary of State by President Grant, March 5, 1869, has ordered the United States Marshal at New York to "regard as cancelled" a pardon passed under the great seal of the United States, by order of President Johnson, twenty four hours before Gen. Grant was inaugurated in the Presidential office. Is it necessary or even possible, in becoming terms, to comment upon such an act? That it has no legal validity is obvious enough But that it should be attempted to be done! Is this a government of laws, or is it the "personal government" of Mr. U. S. Grant and Mr. E. B. Washburne? Mr. Commissioner Rollins telegraphs to the District Attorney here that "the President is in earnest about this!" Other people besides "the President" will be likely to "be in earnest" if ignorance and arrogance like this are to be enthroned in the capital of the republic.—*N. Y. World.*

We had no idea of "Governor" Wells until we read the late bulletin, headed "Reasons why Gov. Wells should not be renominated," put forth by the Clements radicals. We learn from this manifesto that "Wells has made $100,000 in Virginia" by "complicity with the whiskey ring, and by defrauding men who were cheating the United States of its just revenue." We also learn that Wells has been trying to sell out the Virginia and Tennessee railroad to outsiders, by which he "would have put over a million of dollars in his pocket."—*Rich. Examiner.*

Legislature of North Carolina.

SENATE.

NIGHT SESSION.

FRIDAY, March 12, 1869.

Mr Robbins, from the Committee on Corporations, reported the bill to incorporate the Rockboro Manufacturing Company, with amendment.

Also, the old North State Insurance Company; also, act to incorporate Green Swamp Company, supplemental to act, and other bills, which will be noticed as they come up for the action of the Senate.

Mr Cook reported back the bill to amend the charter of the town of Beaufort.

The unfinished business of the morning, being the motion to strike out section 38 of the bill in relation to Townships, was taken up.

Mr. Robbins offered a substitute for the section, providing for an increase of Justices of the Peace in the Townships under certain circumstances. Not adopted.

The section was then stricken out and the bill passed its second reading.

The bill to charter the town of Henderson read and passed second and third readings.

The bill to incorporate Tuckasegee Baptist High School, in the county of Macon.

The bill to charter the Bank of Greensboro', read a second time.

Mr. Forkner moved its indefinite postponement.

Mr. Cook moved to lay on the table and print for information. The motion did not prevail.

Mr Graham called the previous question on the passage of the bill.

Mr. Cook moved an adjournment. Not agreed to.

The question then recurring on Mr. Graham's motion, it prevailed, and the yeas and nays were called on the passage of the bill on its second reading, and resulted yeas 23, nays 9

Mr. Martindale moved its further consideration be postponed. Not agreed to.

The bill was then read the 3rd. time.

Mr. A. J. Jones moved to lay the bill on the table, and print.

Mr Graham demanded the previous question. Sustained, and the yeas and nays were called on the passage of the bill, its 3rd. reading, and resulted yeas 19, nays 15.

Resolution from the Committee on claims, in regard to money loaned the State for purposes of a charitable nature. Directs the Treasurer to pay the same, at different periods, reaching to 1872. [The money was borrowed by the Treasurer, during the war, to sustain the Insane Asylum, and the Institution for the Deaf and Dumb.]

Messrs. Cook and Hayes opposed the passage of the Resolution, on the ground, that the money was borrowed to aid, indirectly, the late war—the State Treasury being depleted by the war.

Mr. Respass urged its passage. The idea that there was no civil government here, during the war, was a mistake. And obligations, transacted as a civil government, we were in honor bound to discharge; and those claims were for civil purposes; the evidence satisfied Mr. Respass of the fact. The claims were not in the shape of Confederate bonds, but simple notes, signed by Jonathan Worth, as Treasurer.

Mr. Cook occupied the floor in reply, at length, arguing against the payment of the claims. While he opposed the claims as appropriations to the war, he would not be understood as being opposed to making appropriations to benefit the people of the State, as it had been intimated he had already voted away millions.

Mr. Davis was on the Committee of Claims—he recommended the payment of the claims, because they were just and proper—if he thought they had anything to do with the rebellion, he should be opposed to them. They were not so viewed by him, and should be paid. The evidence before the Committee, of one of the parties who loaned the money, was, that he, the witness, refused to loan the money, if it was understood that it was for war purposes—being convinced that it was for civil purposes, he consented, and did loan the money.

Mr. Richardson opposed the resolution—that it had been refused by the General Assembly two years ago.

Mr. Graham admitted, that all these claims were refused to be entertained by the General Assembly as stated. He was in favor, however, of allowing them—they were not in aid of the rebellion, but for the sustenance of the civil government, and borrowed from a loyal citizen, who advanced the money understandingly.

Mr. Love, on behalf of the Committee, stated that the matter had been before the Committee for four weeks, and had been thoroughly and calmly considered, and they were clearly of the opinion that the claims were just.

Mr. Brogden opposed the passage of the resolution, in a protracted speech.

In reply, Mr. Respass said, Mr. B. had said everything, except to say the Committee had been bribed in this matter. He hurled the charge back in his face, &c.

Mr. Brogden quoted Shakspeare and other authors, on Mr. Respass.

Mr. Davis said the storm is pretty much over, and he didn't think any one had been struck by the lightning. He defended the Committee against what we deemed an accusation that the Committee had been bribed by fine dinners, &c. The Senator from Wayne had no right to make these charges. Mr. Davis said the claims were thought to be honest by the Committee.

Mr. Hayes called the previous question, which was sustained, and the resolution put upon its passage, and resulted yeas 16, nays 18.

Senate then adjourned.

HOUSE OF REPRESENTATIVES.

NIGHT SESSION.

FRIDAY, March 12, 1869.

Pursuant to adjournment, the House was called to order at half past 7 o'clock.

On motion of Mr. French, the rules were suspended, and the resolution, 'that from and after Monday, the 15th, the House shall meet at 10, A. M., each day, except Sunday, and adjourn at 1, P. M., and on every day except Saturday and Sunday, shall meet at 3 o'clock P. M.' was taken up.

Mr. Durham moved to strike out 3 o'clock P. M., and insert half past 7 o'clock, P. M. Carried.

Mr. French then moved to strike out the words "and adjourn at 1 o'clock, P. M." Carried.

Mr. Vest moved that the resolution be laid upon the table. Lost.

The resolution, as amended, was then adopted, by a vote of yeas 59, nays 9.

By Mr. Robinson: A bill to amend the charter of the Tuckasege and Nantahala Turnpike Road. Referred.

Mr. McMillan introduced the following resolution:

Resolved, The Senate concurring that this General Assembly take recess from the first day of July to the fifteenth day of August.

Mr. McMillan said he had understood the gentleman from New Hanover (Mr. French) had said that unless business was expedited there was no telling when this Assembly would adjourn. Now he (Mr. McMillan) thought from the way the House was transacting business that some spur was needed, therefore, he hoped the resolution would be adopted, and the House make an effort to get away by the time mentioned in the resolution.

Mr. McMillan moved to suspend the rules and adopt at once. No quorum voted.

Mr. M. then withdrew the motion and the resolution was placed upon the Calendar.

On motion of Mr. ——— the discussion upon the bill suspending the Code of Civil Procedure, was resumed. After a long debate the previous question was ordered and the bill as amended, passed its second reading by the following ballot:

AYES.—Messrs. Allison, Armstrong, Bagley, Barnett, Boddie, Bowman, Candler, Clayton, Davis, Durham, Ellis, Ferebee, Gibson, Gunter, Harris, of Franklin, Hicks, High, Hinnant, Hodgin, Hodnett, Hoffman, Humphries, Ingram, Jarvis, Justus, of Henderson, Justice, of Rutherford, Kelly, of Davie, Kelly, of Moore, Long, of Chatham, Long, of Richmond, Mayo, colored, McMillan, Mendenhall, Morisey, Moore, of Chowan, Peck, Pou, Proffitt, Reglend, Robinson, Shaver, Siegrist, Simonds, Vestal, Waldrop, Whitley, Williams, of Sampson, Wilson, and Wiswall—49

NAYS.—Messrs. Blair, Carson, Cawthorn, colored, Dixon, Estes, Forkner, colored, Foster, Gahagan, Gatling, Hayes, colored, Hudgings, colored, Kinney, Leary, colored, McCanless, Morrill, Parker, Rentrow, Robbins, colored, Reynolds, Seymour, Snipes, Stanton, Stevens, Sweat, colored, Thompson, Vest, and Williamson, colored—27.

On motion the rules were suspended and the bill passed its third reading under the previous question, by a vote of yeas 45, nays 31.

The bill as amended does not include debts contracted since May 1865 or actions *sedente lite*.

On motion the House then adjourned.

SENATE.

SATURDAY, March 13, 1869.

Mr. Brogden reported bill in reference to Cumberland county, (levying a special tax) favorably; also, other bills of a similar character.

Mr. Osborne, from the Judiciary Committee, also reported favorably on several private bills.

Mr. Osborne introduced a bill to incorporate Cooper Association, in the town of Wilmington.

The bill to incorporate the N. C. Fertilizing Company, introduced by Mr. Osborne, read 1st time and referred.

Mr. Robbins moved to reconsider the vote, by which the resolution in favor of R. S. Tucker and others, was defeated last night. Passed.

On motion of Mr. Davis, it was postponed until next Saturday.

Mr. Beeman moved that the vote by which the bill chartering the Bank of Greensboro was passed, be reconsidered.

Mr. Graham moved to lay that motion on the table. The motion failed.

The motion to reconsider prevailed.

Mr. Cook then offered an amendment, making the property of the private stockholders responsible, &c., and that a higher rate than 8 per cent. interest shall not be charged.

Postponed and ordered to be printed.

Bill in favor of Reuben King, of Robeson, read 2nd and 3rd times and passed.

Mr. Winstead moved a suspension of the rules, in order to take up the House resolution, instructing our Senators in Congress to vote for a repeal of the act suspending the tenure of office act.

The motion to suspend prevailed—yeas 29, nays 3.

The resolutions were read.

Mr. Colgrove demanded the previous question and called the yeas and nays.—Sustained.

The resolutions were adopted, yeas 31, nays 5.

Mr. Cook voted against the resolutions, and by leave, stated, as old as, because it looked like dictating to the Senate of the United States.

Mr. Graham voted no; if it had been a simple request to repeal, he might give a different vote, but did not like the preliminaries in the resolution.

Mr. Love was for giving the President the same powers heretofore enjoyed by other Presidents. If the Republican party would trust him he would.

Mr. Scott gave his reasons for voting for the resolutions. He thought the restriction odious.

Mr. Robbins regretted the party bearing which the resolutions contained. He believed the principle of fettering the President wrong, but to get back to the old landmarks of the Republic, he would vote for the resolutions, protesting against the party preamble.

Bill authorizing Commissioners of Onslow to levy a special tax, read 2nd. time and passed.

Bill in relation to pilots at Hatteras and Ocracock Inlets, read second time.

Mr. Sweet said the passage of this bill will virtually close the ports of Newbern and Wilmington, &c., and would tend directly to build up the port of Norfolk.—Pilotage provided for in the bill would pay the pilot about $14,000 per year for the work of two days per week. Read a protest from 190 citizens of Newbern against the passage of the bill.

Mr. Sweet moved its indefinite postponement.

Mr. Respass defended the bill at length.

The motion to indefinitely postpone prevailed.

It is noteworthy that of the men selected for the new cabinet not one has achieved the distinction of a place in Appleton's "New American Cyclopædia," or in the latest edition of "Men of the Time."

Somebody objects that two-thirds of the processioners at the inauguration were negroes. But why not? Who elected the processioners?—*N. Y. World.*

Whatever may be said of Mr. Grant's ignorance of constitutional law, it cannot be denied that in the construction of his Cabinet he had especial reference to the system of "checks and balances," which our forefathers had in view when they framed the Constitution. And so another received the customs.—*N. Y. World.*

Ayer's Cathartic Pills,
For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this well tried but efficient purgative PILL. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have, and can show, thousands upon thousands of certificates of remarkable cures of the following complaints, but such cures are known in every neighborhood, and why should we publish them? Adapted to all ages and conditions in all climates, containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.
They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.
Minute directions are given in the wrapper on the box, for the following complaints, which these Pills rapidly cure:—
For **Dyspepsia** or **Indigestion**, **Listlessness**, **Languor** and **Loss of Appetite**, they should be taken moderately to stimulate the stomach and restore its healthy tone and action.
For **Liver Complaint** and its various symptoms, **Bilious Headache**, **Sick Headache**, **Jaundice** or **Green Sickness**, **Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.
For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.
For **Rheumatism**, **Gout**, **Gravel**, **Palpitation of the Heart**, **Pain in the Side**, **Back** and **Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.
For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.
For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.
As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.
An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus. There are numerous cases where a purgative is required, which we cannot enumerate here, but they suggest themselves to everybody, and where the virtues of this *Pill* are known, the public no longer doubt what to employ.

Ayer's Cherry Pectoral,
For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine, has anything won so widely and so deeply upon the confidence of mankind, as this cherry remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of *Croup*, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.
Although settled *Consumption* is thought incurable, still great numbers of cases where the disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.
Singers and Public Speakers find great protection from it.
Asthma is always relieved and often wholly cured by it.
Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.
So generally are its virtues known that it is unnecessary to publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

ARREST OF DR. S. P. WRIGHT.—This person was arrested on yesterday morning by D. R. Goodloe, Esq., United States Marshal, at Warrenton, N. C., and brought before Commissioner Porter, of this city.—Judge Fowle appeared for him, and Judge Merrimon for the government. He is charged with purloining certain important papers from the office of John Reade, former Assessor for this District, and with acting without authority as Assistant Assessor. In this city he collected of Jno. G. Williams, Esq., the well known Banker, some $400, and tried to collect some $900 of the First National Bank. He claims to have been appointed by Gen. Bennett, who carried it with a high hand among the tobacco factories, closing them up as he went. The defendant's case is postponed until next Wednesday. We will give a further account of matters when the trial takes place. Dr. Wright is closely connected to Gen. Estes from Wilmington, a carpet-bag Commoner.

CROWDED OUT.—Several editorials and communications are necessarily crowded out. They will appear next week.

THE N. C. LAND COMPANY made another important sale of land, near Raleigh yesterday, to three gentlemen from Pennsylvania. The tract contains 500 acres, and will be cut up into 100 acre model farms—situated 7 miles west of Raleigh—at or near Asbury.

SERIOUS LOSS.—We regret to learn that the large dwelling house, kitchen and smoke house of R. v. Thomas Thompson, of Thompsonville, Rockingham county, were consumed by fire on the 6th inst. The loss was heavy. What was saved was greatly damaged. Mr. Thompson has been confined to his bed for two years, and was barely saved through the exertions of friends, just before the roof fell in. The loss sustained is a very great affliction to the family.

DREAMING.—We observed, in the *Standard* of this morning, a lengthy article headed "Dreaming." We have not read it, but suppose the Editor must have written it, after witnessing the perpetual "snoozing" of the "Hon." Galloway, Senator from New Hanover, in his seat, on the evening of the 12th. inst., during a long and excited debate. It is said, that Galloway was "punched" twice, in order to vote—and then, he relapsed into a profound sleep.

Where is our Siberia? It must be of vast dimensions, if it would contain all the banished, provided General Grant takes it into his head to exile all of the official in the United States who have "robbed the Government."

MR. ERASMUS ATKINSON, the young man who was robbed and beaten by a negro desperado near Burgaw depot on Tuesday of last week, is out of danger and recovering from the effect of his injuries. As the decision of "Judge" Tourgee is of importance, and inasmuch as it is understood that Judge Pearson will take the following as his guide, we publish it for the benefit of the gentlemen of the bar and all concerned.

IMPORTANT DECISION.

We publish this morning an extra TOPIC, containing in full the Opinion of Judge A. W. Tourgee, of the Superior Court for the 7th District, delivered at Greensboro, March 3rd, 1869, relative to the effect of Supreme Court's decision on the Stay Law, and the rules of practice to be observed:

RULES OF PRACTICE in Actions embraced by Sub division 3, Section, 8, Code of Civil Procedure.

STATE OF NORTH CAROLINA, } *Guilford County.* }

Superior Court—Spring Term.

By subdivision 3, Section 8, of the Code Civil Procedure, all civil actions, for causes of action included within provisions of an Ordinance entitled "An Ordinance respecting the jurisdiction of the Courts of this State," ratified on the fourteenth day of March, 1868," are excepted from the classes of actions to which the code is applicable, and are especially exempted from its provision "except as to form." These actions are not among those which fall within the provisions of sub-division 1, of Section 8, Code of Civil Procedure, and to them, therefore, the Code applies "*as to forms.*" It was the intention of the Code, to permit the practice and procedure in such actions, to be governed by the provisions of that act, and of the previously existing laws. This act by a recent decision of the Supreme Court has been pronounced unconstitutional. This decision destroys all the provisions of that Ordinance as to procedure, and leaves the practice in such cases, to be regulated "by the laws existing," at the time of the adoption of the Code of Procedure, in everything, except as regards the form of the action,—and in this respect, subject to the provisions of the Code.

This leaves it a matter of great delicacy to determine accurately the precise rule of practice which should be adopted in all cases. It is a matter of regret that the Supreme Court did not, at the time they overturned the previous rules in relation to to those cases, prescribe others, in order to secure harmony in the practice. Such rules must, however, be adopted for the guidance of the bar, and the protection of parties. One great division of this class of actions stands in peculiar relations to the Code, and it is of the last importance that a rule for their conduct should be adopted at once. We refer to that class of actions in which summons has been issued returnable to this term, under Section 405 of the Code. Three questions must be answered before such a rule can be prescribed:

1st. When and how shall the defendant plead to the complaint?

2nd. When and how shall replication be made, and issue be made up?

3rd. When shall these actions stand for trial, and when judgment be taken by default?

Remembering that the "old law" and practice, governs, *as to the subject matter*, and the Code of Procedure, *as to form*, let us see if we can harmonize the provisions of both. "When shall the defendant plead?" This is not purely a matter of form. Under the old practice, the present term would have been denominated the "Appearance" term, the next, the "Trial" term. If the defendant did not appear, judgment might be taken by default. If he did appear the case stood for trial at the next term. Let this distinction be still preserved as it easily may be.

How shall the defendant plead? Evidently this pertains to the "form of the action," and the Code gives us the answer, "by answer or demurrer" as prescribed in the Code, and the same must be in writing and the plaintiff must have opportunity to reply or demur; and yet the issue must be made up, for trial, at least thirty days before the next term.

One more question remains to be answered. How shall the defendant appear? It has been decided that the entry of an attorney's name on the docket is an action, even without pleas, constitutes an "appearance." From these considerations, we deduce the rule, applicable to this class of the cases which came under the "Stay Law," which rule will be observed and enforced in this District.

RULE 1.—In that class of cases, embraced by subdivision 3, Section 8, Code of Civil Procedure, in which the summons is made returnable to the present term, under section 405, if the defendant makes no appearance (by entry of attorney's name upon the docket), before the second Wednesday of the present term, judgement may be taken by default. If appearance is thus made, the defendant shall have until the eighth Monday, preceding the first day of the next term, to file his answer or demurrer, to which the plaintiff may demur or answer, as in other actions under the Code, the issue being made up and the action placed upon the "Civil Issue" Docket, thirty days before the beginning of the term. If no answer or demurrer shall have been filed by the defendant, on or before the time, above limited, the action shall be placed upon the "Civil Issue" Docket without any pleading, on the part of the defendant and the plaintiff shall be entitled to judgment, at the next term, according to the prayer of his complaint. All pleading must be under the code, and if the complaint is verified, all subsequent pleadings must be verified also.

It is believed that the above rule harmonizes the requirements of the former laws, and also meets the demands of the code.

There remains then, for consideration, two general classes of the actions which were intended to be embraced by the "Stay Law," and by the provisions of the Code, before referred to, viz:

I. Actions commenced before the adoption of the Code, upon causes of action accruing before May 20, 1861, and known as "Ante war" cases.

II. Actions commenced before the adoption of the Code, upon causes of action accruing between May 20, 1861, and the 5th of May, 1865, known as "War" cases.

The first of the above classes, the "ante-war cases" divides itself naturally into the following:

1. Cases in which pleas have been entered and issue made up.

2. Cases standing on "oyer."

3. Those cases in which no plea have been entered, and where no installment has been paid under the opposition of the Ordinance.

4. Cases in which no pleas have been entered, but one or more installments have been paid under the "Stay Law."

In the rule adopted for the above cases there is, of necessity, something more of arbitrary prescription, than is the one previously laid down. This, the Court has found it impossible entirely to avoid. The following rule will therefore be observed:

RULE 2.—Actions coming under the first of the above classes will stand for trial at the present term. In cases standing upon *oyer*, the former rule will prevail. If *oyer* has been had, try, if not, continue. Cases under class 3, where no pleas have been entered, and no installment paid, will be regarded as standing upon pleas entered, as of the appearance term of the action. In action coming under class 4, where no pleas have been entered but an instalment paid, if the filing of a complaint is demanded by entry upon the docket before the second Wednesday of the term, the plaintiff must file his complaint within sixty days from the close of the term, and the defendant may answer or demur at any time before the eighth Monday preceding the next term, and issue must then be made up, and the action placed on the "Civil Issue" docket, as under the former rule. All other actions of this class will be placed upon the "Civil Issue" docket for the next term, without pleas by the defendant, and the plaintiff will then be entitled to judgment according to his prayer.

There still remains one great class of cases, the practice in which is affected by this decision in regard to the Stay Law, viz: Actions, upon causes of action, accruing between May 20th, 1861, and the 5th May, 1865, commenced before the adoption of the Code in which pleas have been entered, will be for trial at this term. In such actions, where pleas have not been entered, if a complaint is demanded by written entry upon the docket, on or before the second Wednesday of the present term, the plaintiff shall file such complaint within sixty days after the close of this term, and answer or demurrer may be made, and issue shall be made up, as under the first rule and the action put upon the "Civil Issue" docket thirty days before the beginning of the next term. In case no demand is thus made, for a complaint to be filed, the action shall stand over and be placed upon the "Civil Issue" docket, for the next term, without any pleas upon the part of the defendant, at which time the plaintiff shall be entitled to judgment, according to his prayer.

It may not be improper here to allude to another particular, in which it has become necessary to consider the operation of this decision. The first of these is, the effect of this decision upon the *form* of the summons in actions which would have come under the operation of the Stay Law had it continued in force. The Code divides all actions into four classes, of which those embraced by the Stay Law, constitute one class, and Section 405 prescribes the form of summons in such cases. The unconstitutionality of the provisions of the Stay Law, does not in any manner affect *this classification*, adopted in the Code, nor the provisions of the section above referred to, in regard to the *form of the summons*. Summons in such cases as heretofore, must "be made returnable to the term of the Court therein designated."

It is hoped and believed that these rules will meet the approval and acquiescence of the bar, and it is believed that they offer the readiest, safest and most feasible, solution of the difficulties which spring from this unexpected change in the procedure of the Courts. They are therefore announced as rules to be observed in the Courts of this District, until otherwise provided.

Let this be recorded.

ALBION W. TOURGEE,
Judge Superior Court,
7th Judicial District.

March 5th, 1869.

A New England clergyman, one Monday last summer, visited the market early in the morning. While there his attention was called to some very fine strawberries. He wished very much to purchase some, but it being so very early in the morning, it occurred to him that they must have been picked on Sunday, and of course he could not purchase or use anything which had been procured under such circumstances.—He inquired of the farmer: "Mr. Smith, were these berries picked on Sunday?" Mr Smith with a sly twinkle in his eye, replied: "No, Doctor, they were picked this morning, but they grew on Sunday."

CHARLES' LONDON CORDIAL GIN,
Or Pure Liquor of Juniper Berries.

This favorite brand of Pure London Cordial Gin, has stood the test of time, imitation, piracy, high tariffs and unfair competition, and still enjoys a constantly increasing sale; showing that true merit does not always go unappreciated.

CHARLES' LONDON CORDIAL GIN

is offered to the public as a perfectly reliable specific in all cases of DISEASED BLADDER and KIDNEYS. It acts directly on these organs, with a directness and speediness which render it invaluable to persons suffering from GRAVEL, DIABETES, INFLAMED BLADDER, scanty and highly colored urine, and in all cases where, from whatever cause, a healthful diuretic is required.

Ladies subject to painful menstruation, can by the use of Cordial Gin a few days previous to, and during illness, obtain great relief. In such instances it should be taken with sugar and warm water.

As a tonic and beverage this Gin is unequaled, as it possesses none of the headache properties to be found in those poisons, now so frequently sold under the names of Gin, Brandy, Whiskey, &c.

CONGRESSIONAL.

WASHINGTON, March 12.

HOUSE.—Mr. Butler's joint committee of three Senators and six Representatives was ordered to-day. It includes all Indian affairs, including legal and political status. The discussion indicated that the object in establishing the committee was to take from the Senate and Executive the exclusive management of Indian affairs.

Mr. Jackson, arguing in favor of the resolution, characterized the conduct of the Senate in regard to the Indians as corrupt and iniquitous.—The language was ruled as unparliamentary, and Mr. Julian withdrew the bold assertion and prefaced it with the words, "seemed to him."

Resolution ordering the joint Indian committee was adopted 93 to 47.

Concurrent resolution to adjourn on the fourth Monday in March was adopted by 118 to 14.

Mr. Banks introduced a joint resolution authorizing the recognition of Cuba when the President is satisfied a republican form of government exists. Referred to Committee on Foreign Affairs. Also a resolution authorizing the President to negotiate with the government and people of San Domingo for annexation. Same reference.

The Judiciary was instructed to report a bill preventive of naturalization frauds.

The bill strengthening public credit passed after erasing the second section, by 97 to 47.

The Speaker announced the Election Committee: Messrs. Paine, Churchill, Heaton, Cessna, Butler, of Tennessee, Stevenson, Burdett, Barr, and Randall.

The Speaker stated he would announce other Committees on Monday.

Mr. Boutwell's resignation was proscribed, and the House adjourned to Monday.

FROM GEORGIA—EDITOR KILLED—GREAT EXCITEMENT.

AUGUSTA, March 12.

Charles Wallace, Editor of the Warrenton *Clipper*, was shot dead this morning. Wallace applied for admission into the Masonic Lodge at Warrenton, and was black balled by D. G. W. Darden, who had promised not to oppose his application. Wallace then attacked Darden through the columns of his paper, denouncing him as a liar and villain, and as Wallace was passing Darden's office, he shot him from his window with a rifle the ball passing through Wallace's head, causing instant death. The affair creates intense excitement in Warrenton. Wallace was a Democrat. Darden is a Republican.

LIFE INSURANCE.

NATIONAL

LIFE INSURANCE COMPANY,
OF THE
UNITED STATES OF AMERICA,
WASHINGTON, D. C.

Chartered by Special Act of Congress, Approved July 25th, 1868.

CASH CAPITAL,

$1,000,000,

PAID IN FULL.

This Company, National in its character, offers, by reason of its large capital, low rates of Premiums, and New Tables, the most desirable means of insuring life yet presented to the public.

The rates of premium being largely reduced, are made as favorable to the insurers as those of the best Mutual Companies, and avoid all the complications and uncertainties of Notes, Dividends and the misunderstandings which the latter are so apt to cause the Policy-holder.

Several new and attractive tables are now presented, which need only to be understood to prove acceptable to the public, such as the INCOME-PRODUCING POLICY and RETURN PREMIUM POLICY. In the former, the policy-holder not only secures a life insurance, payable at death, but will receive, if living, after a period of a few years, an ANNUAL INCOME equal to ten per cent. (10 per cent) of the par of his policy. In the latter the Company agrees to return to the assured the total amount of money he has paid in, in addition to the amount of his policy.

The organization of this Company on the LOW RATE, CASH PLAN, with new features and unequaled security, has evoked the most remarkable opposition from all her rival Companies. By means, fair and unfair, they have sought to injure the new system, and have attacked it with a degree of virulence unknown in the history of Life Insurance.

Not satisfied with the immense sums of money paid, Insurance and other journals, to try and check the rapid progress of the National, an unsuccessful motion was made in Congress to repeal its charter, all of which but accelerated its speed for since then the largest policies issued has been to members of Congress, whose attention has been thus attracted to its unsurpassed advantages. In the face of this opposition, the work of the Company has gone steadily forward, and it is with no little satisfaction that the GENERAL AGENTS are able to state that the business to date is far in advance of anything hitherto accomplished.

In Six Months 3,000 Policies have Been Issued.

INSURING, IN ROUND NUMBERS,

$10,000,000.

The attention of persons contemplating insuring their lives, or increasing the amount of insurance they already have is called to the special advantages offered by the National Life Insurance Co.

NEW ARRANGEMENT.

The RALEIGH SENTINEL having passed under the Editorial management of the undersigned, it will, from the present date, be conducted by him.

It will be the zealous and fearless advocate of the CONSTITUTION of the United States, seeking to bring the people back to their ancient reverence for that immortal instrument, and to restore the policy of the country to that honored standard, as the only guarantee of National prosperity.

It will do justice to the men and measures of the present day, whenever they may merit it, but it will unsparingly lash and denounce all who set themselves up in opposition to the Federal Constitution, and hold up to the public indignation corruption and imbecility in high places.

It will ardently seek the promotion of the best interests of North Carolina,—moral, educational, material and political.

THE LATEST NEWS

From every quarter, both by mail and telegraph will be carefully collated and presented.

Full and correct market and financial reports will be given.

And, in one word, no effort will be spared to make the SENTINEL, in all respects, a reliable

NEW METHOD OF WASHING CLOTHES
WITHOUT LABOR.
THE AUTOMATIC
CLOTHES WASHER AND BOILER.

THIS BOILER IS MOST EFFECTUAL, Prompt and universally recommended. It can be used on any Stove or Range, in any house, and the LOW PRICE of the article places it within the reach of every family.
This Boiler operates upon purely philosophical principles, is self-acting, and dispenses with labor and the wear of the clothes.
The boiling and steaming, by the action of heat, are carried up through, under, guided upon the clothes, and forced through the mass with astonishing rapidity, cleansing all articles, from the finest laces to the coarsest. For flannels it is invaluable, as it does not full them as in the old process of rubbing and pressing.
The time required for cleansing a boiler full of clothes is twenty to thirty minutes, and nearly three hundred gallons of boiling water are forced through the mass, thoroughly cleansing and rendering the act WITHOUT LABOR OR RISING.—A thorough rinsing finishes the process.
Washing day will no longer be a terror and dread to housewives. The cost of the Boiler will soon be returned in the SAVING OF TIME AND LABOR, and the great saving in the wear of clothes.
The great value of this invention appears so clear, and appears so directly to continue cause, that we have ceased to unnecessarily to accompany its introduction with numerous orders of approval, &c.
As invention has met with such ready sale and given such satisfaction. Call at BOOKER & ADKINSON'S, and see its wonderful operations.—We have the exclusive right to sell and manufacture in the State.

COME TO

A. CREECH'S!

For Ladies' Goods! For Gentlemen's Goods! For Misses' Goods! For Boys' Goods! Ditto for Children!

MY STOCK IS LARGE AND VERY COMplete. Allow me to say that you see none very strange advertisements. Some say they bought goods before the rise—some after the decline—some just in time—some in both ways—some buy goods cheaper than anybody else—some selling goods at unprecedentedly low prices—some controuling the trade &c. &c., and all such stuff. What a rocky set of individuals!
Now just let ME tell you, that there is more humbug than poetry in all this. Don't every man, woman and child know that it is humbug large enough to be seen even with one eye shut? so let them talk, puff and blow, but STOP, LOOK, JUDGE HANDS OFF! and show your good judgment by
